

Drop-Off Catering

EFFORTLESS DELIVERY

Beautifully prepared food, delivered ready to serve. A simple, convenient option when you already have the space and people to manage your own meal service.

WHAT IS INCLUDED

- Prepared food packed in disposable catering trays or containers.
- Delivery to the agreed address during the scheduled delivery window.
- A straightforward handoff at the designated delivery location.

WHAT IS NOT INCLUDED

- Unpacking, buffet arrangement, or table styling.
- Chafers, warming fuel, risers, display pieces, or serving utensils.
- Guest plates, cutlery, napkins, cups, or linens.
- On-site attendants, replenishment, teardown, or cleanup.

WHAT WE NEED FROM YOU

- Confirm the full delivery address, building/room, event time, and a day-of contact.
- Provide parking/loading instructions and any security, elevator, or delivery restrictions.
- Have someone available to receive the food and a clear space for the handoff.
- Plan to set out and serve the food, supply serving and guest utensils, and manage safe food holding and cleanup.

Ideal for office lunches and gatherings that need delicious food without on-site catering staff.

All services are customized. Your approved proposal defines the exact inclusions, timing, and fees.
